Dear Collector,

You may wish to consider placing yourself on our standing orders list.

That way you would automatically receive all the APTA shows souvenir overprints, including some special very limited issues that are only made available to our members and standing order customers and not to the general public eg. "The APTA 100 Club" issued once a year with only 100 made.

Also the APTA Annual Convention Folder with special o/p booklets and m/s are only made available to APTA members and again only to our standing order clients.

Some of these very limited products have made considerable value gains over the years for our clients.

I have enclosed the general price list for the rest of this year and also an application form to be placed on the standing order register.

Thank you for your interest in the past and with

Kind Regards,

Gerd Kratzer
